SWIM SPAS

## AquaStream Family

### Spacious Relaxation for Families

The AquaStream range is designed for families, entertainers, and fitness enthusiasts, offering a versatile swim spa experience that caters to every lifestyle. Whether you are looking for swimming or a relaxing space for social gatherings, the AquaStream delivers with ease. Its dual swim pumps ensure a consistent swim.

The 3.97 metre Family Model, standing at 1.23 metres high, offers seating for up to 10 people, making it ideal for large families or entertaining guests. With 53 jets and a spacious design, it is perfect for combining swimming, fun, and relaxation.
